

Fort Abercrombie State Historical Park Summer Naturalist Program

7:00pm at the Park Visitor Center

Join us where the forest meets the sea and history lives in the present...

Saturday, June 25th The Summer Birds of Kodiak

Rich Macintosh, long-time Kodiak birder, will share his photos and wealth of knowledge about the summer birds on Kodiak.

Saturday, July 2nd Fort Abercrombie Military History

Join Dave Ostlund, Director of the Kodiak Military History Museum, for a walking tour of the park highlighting WWII history at Fort Abercrombie.

Saturday, July 9th Underwater Life Around Kodiak

Verlin Pherson, owner of Scuba Do Dive Shop, will share his passion for diving and all of Kodiak's underwater creatures.

Saturday, July 16th Alutiiq Marine Mammal Hunting

Patrick Saltonstall from the Alutiiq Museum will present "Alutiiq Marine Mammal Hunting Through Time."

Saturday, July 23rd Paralytic Shellfish Poisoning

Learn more about the risks associated with personal shellfish harvest from Julie Matweyou, the Alaska Sea Grant Marine Advisory Agent for Kodiak.

These events are free thanks to Friends of Kodiak State Parks, which is supported by donations and the Bookstore located at the Visitor Center.

Please call the park office at 486-6339 with any questions.
